

**“WOODLANDS IN WALES
– AN UPDATE”**

Talk by Guest Speaker

KATH MCNULTY

CONFOR NATIONAL MANAGER FOR WALES

At the KTAT's ANNUAL GENERAL MEETING

on

THURSDAY 25TH APRIL 2013

from

7.30–9.30p.m.

at

THE OFFA'S DYKE CENTRE, KNIGHTON

KTAT manages woodlands to allow its members and volunteers access to affordable woodland products such as firewood, timber, fruit and nuts. In coming together and sharing and learning woodland skills we aim to manage local woodlands sustainably and for the benefit of wildlife as well as our members. Do come and meet us to find out more about volunteering with KTAT and hear Kath update us on Welsh woods.
