

**Become a**  
***Friend of the Knighton Tree Allotments***  
***Trust***

The Knighton Tree Allotments Trust has been registered as a Company Limited by Guarantee. It is a not-for-profit Trust that will create woodland allotments for local people living in and around Knighton to provide for their present day needs of fuel, fruit, nuts and timber as well as maintaining a sustainable and healthy ecosystem that will ensure a viable forest for future generations to enjoy.

The Trust will buy or lease land within 5 miles of Knighton and provide the training and support needed to enable local people to manage their tree allotments in a safe, productive and sustainable manner. These people will thus be able to grow for themselves some of their fuel and food needs as well as reducing their carbon footprints. At the same time they will be able to join co-operatively with other local people to enjoy, conserve and enrich their local environment.

Our first task is to raise the funds required to buy land and then we will need to provide training in woodland management and wildlife conservation. We will also need resources to create communal areas for a shared tree nursery, tool shed, wood-drying and storage area, bio-loo, a sheltered meeting space and an outside work area for courses, creative events and forest school work.

This is an exciting and timely project that needs your financial support to come to fruition and we would like to invite you to become a *Friend of the Knighton Tree Allotments Trust*. In return for your donation you will receive regular updates on the Trust's work and be invited to our Open Days and events. If you are interested then please complete and return the form below. If you would like any further information please telephone 01547-520929 or email [reforest@gn.apc.org](mailto:reforest@gn.apc.org)
